Re: Plan of Operations Required, Plateau Resources Limited, Inc., Sage Mine, San Juan County, Utah

Dear Mr. Craft:

On May 16, 2007 we received a copy of the Utah Division of Oil, Gas and Mining's (UDOGM) executed transfer form and reclamation contract approving transfer of the Notice of Intent to Commence Small Mining Operations for the Sage Mine from Butt Mining Company to Plateau Resources.

The reclamation surety was accepted by the UDOGM with concurrence from the BLM. However, mining operations can not begin until a Plan of Operations (Plan) is approved by the BLM pursuant to 43 CFR 3809.11. Enclosed is a copy of the BLM regulations and a form to assist you in preparing your Plan. The BLM currently does not require a specific form for filing your Plan so the enclosed form is optional. The only requirement is that the Plan meet the content requirements specified in 43 CFR 3809.401(b).
